MY FAMILY

In my family there are 4 people: my dad, my mum, my brother and me.

My mum's name is Mary, she's 45 and she's a secretary. My dad's name is John, he's 47 and he works in an office.

My big brother is 18 and he goes to university. He has short, brown hair and blue eyes. He's smart, friendly, but not always reliable.

I get on well with my parents.

We quarrel about hours / friends / school ...

We talk about school / friends / family / voyages ...

MY SCHOOL

My school is called...

I go to a Secondary Junior High School, called

I like going to school because I like studying and learning new things / I meet my friends and know new people.

My favourite subjects are ... / I hate ...

I get on well with my teachers. They are great / strict / funny / amusing / interesting ...

Homework is ok / a lot / little. School is difficult / easy.

I'm in my third and last year, so in June I'm having my exams, my first ones. I'm a little scared / frightened.

Next year I'm going to a new school: a high school for mechanics, languages, informatics It's in Verona.

LIKES AND DISLIKES

I like / love dancing ...

I practise it twice a week / once a week / three times...

It is a way for meeting new people and making friends. My team is very good and it is placed first at the moment.

My hobbies are reading / collecting cards / listening to music ...

My favourite singer is ... He is American. He is 25. His hair is blond and his eyes are light

blue. He's a very handsome boy! His songs are wonderful. My favourite one is ...: it is about a girl who ...

I hate selfish people / violence / arrogance / false people / vulgar people ...

I love the sea / the mountains / nature / living in Ospedaletto because...

MY TOWN

I live in a small town in the north of Verona. I like it because ...

It's got a townhall, three schools, a nice church, ... There is a supermarket, a post office, some restaurants ...

The place I like the most is the main square because it's where I meet with my friends and spend some time.

There aren't facilities for young people. We have to move to Verona to go to the cinema, to the theatre...
